In the selection of teams for any Cum Christo, the ultimate Leader's hand is sought. The Lord is our Leader and it is His will that we must follow. His hand and His will is sought in all that is done for that selection. Much prayer and thought are given by your Rector and Rectora. Much advice is sought and discernment from the Lord, from past Rectors, Rectoras and the Spiritual Director.

Certain guidelines must be followed and any variations must be approved by the Secretariat.

We pray in the "Leaders Prayer" that we may understand the necessity of depth in our movement rather than surface glory and we may be convinced that colorful programs do not constitute success. We pray for a mutual charity among ourselves so that each one will seek by preference the most humble tasks and rejoice at the good performed by others.

All positions on every team are important. Every effort will be made with prayerful discernment to place every team applicant in the best possible place.
